# JUVENTAS

October 22-24, 2018  
TORONTO

An intensive 2.5 day program of entrepreneurial focused sessions, exercises and skill development to navigate the opportunities that lie ahead for women entrepreneurs who are just starting to make their mark. After the program you'll push it further with the support of a hand-picked Mentor for 12 months.

**Juventas**, named for the Goddess of Youth, is our newest program, launching in April 2018, that will operate within the established program of E-Series.

Accepting applications until September 22.

Significant grants and full scholarships available.

"My Experience at

E-Series was Stellar...

Stoked to be a Boss Lady!"
